

PACC 24/7 Access Policy

- ❖ I understand that I must be at least 16 years of age to use 24/7 access.
- ❖ **If I am 16 years old**, I acknowledge that I must have a parent/guardian with me when I use my fob. **The parent/guardian who accompanies me must have their own 24/7 fob.**
- ❖ **If I am 17 years old**, I acknowledge that I must have a parent/guardian with me in person when purchasing the fob to sign the waiver and liability release.
- ❖ I understand my fob is for only for my own admittance and **I will not share it with others or let others into the PACC using my fob.**
- ❖ I understand that the fee for a 24/7 Access Fob will be charged yearly at the annual rate at that time, and may change from the rate I initially paid.
- ❖ I understand that if my membership becomes inactive, the fob will also become inactive, and I will need to pay the annual rate again to reactivate my fob.
- ❖ I understand that if I lose my fob, it is my responsibility to contact the PACC to report it lost/stolen, and I will be responsible for replacement cost of the annual rate.
- ❖ I understand that accessible areas of the building include restrooms, one set of locker rooms, fitness area, aerobic room, and the walking track. All other areas are inaccessible after staffed building hours.
- ❖ I understand that the facility is accessible most days, but that there may be dates/events when access during non-staffed hours will not be available (i.e. lock-ins, facility maintenance, etc.) and that PACC will post notices on our website, at the facility and on social media in advance of such events.
- ❖ I understand that, if I am found abusing/sharing my access fob or not following PACC rules, I will be subject to a \$75 penalty per incident, possible loss of 24/7 access privileges, possible loss of my membership (without refund), and that my membership may be put on hold until fees are paid.
- ❖ I understand that if there is any emergency, medical or criminal, I may use the emergency call buttons located in the lobby and the fitness area, or use my cell phone to call 9-1-1. Any non-emergency should not result in a 9-1-1 call, but I will call the PACC during staffed hours to report equipment problems or problems using my fob.
- ❖ I understand that all Pricing and Policies are subject to change.
