

NEW BACK ENTRANCE BEGINNING AUGUST 8TH.

Where do I go?

You can get to the back entrance by following this map. The entrance will be found on Fox Street.

Will there be enough parking spots?

Yes. We will do our best to have staff park in a different area than members, so we should have enough parking. Members are also able to park at empowering kids.

How will I find my way once in the building?

Please ask a front desk staff member to show you where you need to go. We are happy to help!
